SOLICITATION AND VOTING PROCEDURES

PLEASE TAKE NOTICE THAT on October 21, 2022, the United States Bankruptcy Court for the Southern District of New York (the “Court”) entered an order [Docket No. 586] (the “Disclosure Statement Order”): (a) authorizing Voyager Digital Holdings, Inc. and its affiliated debtors and debtors in possession (collectively, the “Debtors”), to solicit acceptances for the *Second Amended Joint Plan of Voyager Digital Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 590] (as modified, amended, or supplemented from time to time, the “Plan”);² (b) approving the *First Amended Disclosure Statement Relating to the Second Amended Joint Plan of Voyager Digital Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. [591] (as modified, amended, or supplemented from time to time, the “Disclosure Statement”) as containing “adequate information” pursuant to section 1125 of the Bankruptcy Code; (c) approving the solicitation materials and documents to be included in the solicitation packages (the “Solicitation Packages”); and (d) approving procedures for soliciting, receiving, and tabulating votes on the Plan and for filing objections to the Plan.

1. The Voting Record Date.

The Court has approved **October 19, 2022** as the record date for purposes of determining which Holders of Claims in Class 3 (Account Holder Claims), Class 4 (Alameda Loan Facility Claims), Class 5A (OpCo General Unsecured Claims), Class 5B (HoldCo General Unsecured Claims), and Class 5C (TopCo General Unsecured Claims) are entitled to vote on the Plan (the “Voting Record Date”).

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Voyager Digital Holdings, Inc. (7687); Voyager Digital Ltd. (7224); and Voyager Digital, LLC (8013). The location of the Debtors’ principal place of business is 33 Irving Place, Suite 3060, New York, NY 10003.

² Capitalized terms not otherwise defined herein shall have the meaning given to them in the *Debtors’ Motion for Entry of an Order Approving (I) the Adequacy of the Disclosure Statement, (II) Solicitation and Notice Procedures, (III) Forms of Ballots and Notices in Connection Therewith, and (IV) Certain Dates with Respect Thereto* [Docket No. 289] or the Plan, as applicable.

2. The Voting Deadline.

The Court has approved November 29, 2022, at 4:00 p.m. prevailing Eastern Time as the voting deadline (the “Voting Deadline”) for the Plan. The Debtors may extend the Voting Deadline, in their discretion, without further order of the Court. The Voting Deadline for any counterparty to an Unexpired Lease or Executory Contract which is identified as rejected through the *Notice Regarding Executory Contracts and Unexpired Leases to be Rejected Pursuant to the Plan* mailed later than five (5) days prior to the Voting Deadline shall be extended by two (2) Business Days.

To be counted as votes to accept or reject the Plan, all ballots (the “Ballots”) must be executed, completed, and delivered pursuant to the instructions set forth on the applicable Ballot so that they are actually received by Stretto, Inc. (the “Claims, Noticing, and Solicitation Agent”) no later than the Voting Deadline. Delivery of a Ballot to the Claims, Noticing, and Solicitation Agent by e-mail, facsimile, or other electronic means, other than via the Stretto online voting portal at <https://cases.stretto.com/Voyager/balloting>, shall not be valid.

3. Form, Content, and Manner of Notices.

(i) The Solicitation Package.

The following materials shall constitute the solicitation package (the “Solicitation Package”):

- a. a copy of these Solicitation and Voting Procedures;
- b. the applicable opt-in release notice, substantially in form attached as Exhibit 3A and Exhibit 3B to the Disclosure Statement Order, as applicable;
- c. the applicable form of Ballot, substantially in the form attached as Exhibit 4A, Exhibit 4B, Exhibit 4C, Exhibit 4D, or Exhibit 4E to the Disclosure Statement Order, as applicable;
- d. a pre-paid, pre-addressed return envelope for Holders of Claims in Class 5A (OpCo General Unsecured Claims), Class 5B (HoldCo General Unsecured Claims), and Class 5C (TopCo General Unsecured Claims);
- e. the Cover Letter, which describes the contents of the Solicitation Package and urges Holders of Claims in each of the Voting Classes to vote to accept the Plan;
- f. the Committee Letter;
- g. the approved Disclosure Statement (and exhibits thereto, including the Plan);
- h. the Disclosure Statement Order (excluding exhibits, except for these Solicitation and Voting Procedures);
- i. the Confirmation Hearing Notice; and
- j. any additional documents that the Court has ordered to be made available.

(ii) Distribution of the Solicitation Package.

The Solicitation Package shall provide the Plan, the Disclosure Statement, and the Disclosure Statement Order (without exhibits, except the Solicitation and Voting Procedures) in electronic format, and all other contents of the Solicitation Package, including the Ballots and the Cover Letter, shall be provided in paper format, except with respect to Holders of Claims in Class 3 (Account Holder Claims), who shall receive the entire Solicitation Package in electronic format. Any party that receives the materials in electronic format but would prefer paper format may contact the Claims, Noticing, and Solicitation Agent by: calling the Claims, Noticing, and Solicitation Agent at (855) 473-

8665 (Toll-Free) or +1 (949) 271-6507 (International); (b) e-mailing the Claims, Noticing, and Solicitation Agent at VoyagerInquiries@Stretto.com with a reference to “In re: Voyager - Solicitation Inquiry” in the subject line; or (c) writing to the Claims, Noticing, and Solicitation Agent at Voyager Inquiries, c/o Stretto 410 Exchange, Suite 100 Irvine, CA 92602.

The Debtors shall serve, or cause to be served, all of the materials in the Solicitation Package (excluding the Ballots) on the U.S. Trustee and all parties who have requested service of papers in this case pursuant to Bankruptcy Rule 2002 as of the Voting Record Date. In addition, the Debtors shall distribute, or cause to be distributed, the Solicitation Package to all Holders of Claims in the Voting Classes on or before **November 1, 2022** who are entitled to vote, as described in Section 4(i) below.

To avoid duplication and reduce expenses, the Debtors will make every reasonable effort to ensure that any Holder of a Claim who has filed duplicative Claims against a Debtor (whether against the same or multiple Debtors) that are classified under the Plan in the same Voting Class receives no more than one Solicitation Package (and, therefore, one Ballot) on account of such Claim and with respect to that Class as against that Debtor.

(iii) Resolution of Disputed Claims for Voting Purposes; Resolution Event.

- a. If a Claim in a Voting Class is subject to an objection that is filed with the Court on or prior to seven days before the Voting Deadline: (i) the Debtors shall cause the applicable Holder to be served with the *Notice of Non-Voting Status with Respect to Disputed Claims* substantially in the form annexed as **Exhibit 3C** to the Disclosure Statement Order; and (ii) the applicable Holder shall not be entitled to vote to accept or reject the Plan on account of such Claim unless a Resolution Event (as defined herein) occurs as provided herein.
- b. If a Claim in a Voting Class is subject to an objection that is filed with the Court less than seven days prior to the Voting Deadline, the applicable Claim shall be deemed temporarily allowed for voting purposes only, without further action by the Holder of such Claim and without further order of the Court, unless the Court orders otherwise.
- c. A “Resolution Event” means the occurrence of one or more of the following events no later than two business days prior to the Voting Deadline:
 - i. an order of the Court is entered allowing such Claim pursuant to section 502(b) of the Bankruptcy Code;
 - ii. an order of the Court is entered temporarily allowing such Claim for voting purposes only pursuant to Bankruptcy Rule 3018(a);
 - iii. a stipulation or other agreement is executed between the Holder of such Claim and the Debtors resolving the objection and allowing such Claim in an agreed upon amount; or
 - iv. the pending objection is voluntarily withdrawn by the objecting party.
- d. No later than one Business Day following the occurrence of a Resolution Event, the Debtors shall cause the Claims, Noticing, and Solicitation Agent to distribute via email, hand delivery, or overnight courier service a Solicitation Package and a pre-addressed, postage pre-paid envelope to the relevant Holder.

(iv) Non-Voting Status Notices for Unimpaired Classes and Classes Deemed to Reject the Plan.

Certain Holders of Claims and Interests that are not classified in accordance with section 1123(a)(1) of the Bankruptcy Code or who are not entitled to vote because they are Unimpaired or otherwise presumed to accept the Plan under section 1126(f) of the Bankruptcy Code will receive only the *Notice of Non-Voting Status to Holders of Unimpaired*

Claims Conclusively Presumed to Accept the Plan, substantially in the form annexed as Exhibit 3A to the Disclosure Statement Order. Such notice will instruct these Holders as to how they may obtain copies of the documents contained in the Solicitation Package (excluding Ballots). Certain Holders of Claims or Interests who are not entitled to vote because they are deemed to reject the Plan under section 1126(g) of the Bankruptcy Code will receive the *Notice of Non-Voting Status to Holders of Impaired Claims and Interests Deemed to Reject the Plan*, substantially in the form annexed as Exhibit 3B to the Disclosure Statement Order. Such notice will instruct these Holders as to how they may obtain copies of the documents contained in the Solicitation Package (excluding Ballots). In addition, Holders of Claims or Interests in the classes deemed to reject the Plan will also receive the Disclosure Statement (together with the Plan attached as Exhibit A thereto).

(v) Notices in Respect of Executory Contracts and Unexpired Leases.

Counterparties to Executory Contracts and Unexpired Leases that receive a *Notice of Rejection of Executory Contracts and Unexpired Leases* substantially in the form attached as Exhibit 8 or a *Notice to Contract Parties to Potentially Assumed Executory Contracts and Unexpired Leases* substantially in the form attached as Exhibit 9 or Exhibit 10, as applicable, to the Disclosure Statement Order, may file an objection to the Debtors' proposed assumption, rejection, or cure amount, as applicable. Such objections must be in writing and filed with the Clerk of the United States Bankruptcy Court for the Southern District of New York on or before November 29, 2022, at 4:00 p.m. and shall be served as set forth in the applicable notice of assumption or rejection.

4. Voting and Tabulation Procedures.

(i) Holders of Claims Entitled to Vote.

Only the following Holders of Claims in the Voting Classes shall be entitled to vote with regard to such Claims:

- a. Holders of Claims who, on or before the Voting Record Date, have timely filed a Proof of Claim (or an untimely Proof of Claim that has been Allowed as timely by the Court under applicable law on or before the Voting Record Date) that: (i) has not been expunged, disallowed, disqualified, withdrawn, or superseded prior to the Voting Record Date; and (ii) is not the subject of a pending objection filed with the Court at least seven (7) days prior to the Voting Deadline, pending a Resolution Event as provided herein; *provided that* a Holder of a Claim that is the subject of a pending objection on a "reduce and allow" basis shall receive a Solicitation Package and be entitled to vote such Claim in the reduced amount contained in such objection absent a further order of the Court;
- b. Holders of Claims that are listed in the Schedules, *provided that* Claims that are scheduled as contingent, unliquidated, or disputed (excluding such scheduled disputed, contingent, or unliquidated Claims that have been paid or superseded by a timely Filed Proof of Claim) shall be allowed to vote only in the amounts set forth in Section 4(ii) of these Solicitation and Voting Procedures;
- c. Holders whose Claims arise: (i) pursuant to an agreement or settlement with the Debtors, as reflected in a document filed with the Court; (ii) from an order entered by the Court; or (iii) from a document executed by the Debtors pursuant to authority granted by the Court, in each case regardless of whether a Proof of Claim has been filed or the Claim was scheduled as contingent, unliquidated, or disputed;
- d. Holders of any Claim that has been temporarily allowed to vote on the Plan pursuant to Bankruptcy Rule 3018; and
- e. with respect to any Entity described in subparagraphs (a) through (d) above, who, on or before the Voting Record Date, has transferred such Entity's Claim to another Entity, the assignee of such Claim; *provided that* such transfer or assignment has been fully

effectuated pursuant to the procedures set forth in Bankruptcy Rule 3001(e) and such transfer is reflected on the Claims Register on the Voting Record Date.

(ii) Establishing Claim Amounts for Voting Purposes.

Filed and Scheduled Claims. The Claim amounts established herein shall control for voting purposes only and shall not constitute the Allowed amount of any Claim. Moreover, any amounts filled in on Ballots by the Debtors through the Claims, Noticing, and Solicitation Agent, as applicable, are not binding for purposes of allowance and distribution. In tabulating votes, the amount of the Claim associated with each claimant's vote shall be determined as follows:

- a. the Claim amount: (i) settled and/or agreed upon by the Debtors, as reflected in a document filed with the Court; (ii) set forth in an order of the Court; or (iii) set forth in a document executed by the Debtors pursuant to authority granted by the Court;
- b. the Claim amount Allowed (temporarily or otherwise) pursuant to a Resolution Event;
- c. the Claim amount contained in a Proof of Claim that has been timely filed (or deemed timely filed by the Court under applicable law), except for any amounts asserted on account of any interest accrued after the Petition Date; *provided, however*, that Ballots cast by Holders of Class 5A, Class 5B, and Class 5C Claims who timely file a Proof of Claim in respect of a contingent Class 5A, Class 5B, and/or Class 5C Claim or in a wholly-unliquidated or unknown amount that is not the subject of a pending objection, based on a reasonable review of the Proof of Claim and supporting documentation by the Debtors or their advisors, will count for satisfying the numerosity requirement of section 1126(c) of the Bankruptcy Code and will count in the amount of \$1.00 solely for the purposes of satisfying the dollar amount provisions of section 1126(c) of the Bankruptcy Code, and, if such Proof of Claim is filed as partially liquidated and partially unliquidated, such Class 5A, Class 5B, and/or Class 5C Claim will be Allowed for voting purposes only in the liquidated amount; *provided, further, however*, that to the extent that any Claim amount contained in a Proof of Claim is different from the Claim amount set forth in a document filed with the Court referenced in subparagraph (a) above, the Claim amount in the document filed with the Court shall supersede the Claim amount set forth on the respective Proof of Claim;
- d. the Claim amount listed in the Schedules (to the extent such Claim is not superseded by a timely Filed Proof of Claim), provided that such Claim is not scheduled as contingent, disputed, or unliquidated; if a Claim is listed in the Debtors' Schedules as contingent, unliquidated, or disputed and a proof of claim was not (i) filed by the applicable bar date for filing Proofs of Claim established by the Court or (ii) deemed timely filed by an order of the Court prior to the Voting Record Date, such Claim shall be disallowed for voting purposes;
- e. Holders of Proofs of Claim filed for \$0.00 or zero (0) Cryptocurrency, as applicable, are not entitled to vote;
- f. Claims that have been paid, scheduled to be paid in the ordinary course, or otherwise satisfied are disallowed for voting purposes;
- g. notwithstanding anything to the contrary contained herein, any creditor who has filed or purchased duplicate Claims within the same Voting Class shall, to the extent possible, be provided with only one Solicitation Package and one Ballot for voting a single Claim in such Class, regardless of whether the Debtors have objected to such duplicate Claims; and
- h. in the absence of any of the foregoing, such Claim shall be disallowed for voting purposes.

If a Proof of Claim is amended, the last filed Claim shall be subject to these rules and will supersede any earlier filed Claim, and any earlier filed Claim will be disallowed for voting purposes.

(iii) Voting and Ballot Tabulation Procedures.

The following voting procedures and standard assumptions shall be used in tabulating Ballots, subject to the Debtors' right to waive any of the below specified requirements for completion and submission of Ballots, so long as such requirement is not otherwise required by the Bankruptcy Code, Bankruptcy Rules, or Local Rules:

- a. each Claim asserted in currency other than U.S. dollars (other than Cryptocurrency) shall be automatically deemed converted to the equivalent U.S. dollar value using the conversion rate for the applicable currency at prevailing market prices as of 8:00 a.m. (prevailing Eastern Time) on the Petition Date;
- b. each Claim asserted in Cryptocurrency shall be automatically deemed converted using the fair market value of the Cryptocurrency (based in U.S. Dollars) as of July 5, 2022 at 00:00 UTC. Such conversion shall be for voting tabulation purposes only and shall not be binding for any other purpose on the Debtors, including, without limitation, for purposes of allowance of, and distribution with respect to, Claims under the Plan;
- c. except as otherwise provided in the Solicitation and Voting Procedures, unless the Ballot being furnished is timely submitted and actually received by the Claims, Noticing, and Solicitation Agent on or prior to the Voting Deadline (as the same may be extended by the Debtors), the Debtors shall reject such Ballot as invalid and, therefore, shall not count it in connection with confirmation of the Plan;
- d. the Claims, Noticing, and Solicitation Agent will date-stamp all Ballots when received. The Claims, Noticing, and Solicitation Agent shall retain the original Ballots and an electronic copy of the same for a period of one year after the Effective Date of the Plan, unless otherwise ordered by the Court;
- e. the Claims, Noticing, and Solicitation Agent shall tabulate Ballots on a Debtor-by-Debtor basis;
- f. the Debtors will file the Voting Report by **December 6, 2022 at 4:00 p.m.** prevailing Eastern Time. The Voting Report shall, among other things, delineate every Ballot that does not conform to the voting instructions or that contains any form of irregularity (each an "Irregular Ballot"), including those Ballots that are late or (in whole or in material part) illegible, unidentifiable, lacking signatures or other necessary information, or damaged. The Voting Report shall indicate the Debtors' decision with regard to such Irregular Ballots;
- g. the method of delivery of Ballots to be sent to the Claims, Noticing, and Solicitation Agent is at the election and risk of each Holder, and except as otherwise provided, a Ballot will be deemed delivered only when the Claims, Noticing, and Solicitation Agent actually receives the executed Ballot;
- h. an executed Ballot is required to be submitted by the Entity submitting such Ballot. Delivery of a Ballot to the Claims, Noticing, and Solicitation Agent by facsimile, or any electronic means other than expressly provided in these Solicitation and Voting Procedures will not be valid;
- i. no Ballot should be sent to the Debtors, the Debtors' agents (other than the Claims, Noticing, and Solicitation Agent), or the Debtors' financial or legal advisors, and, if so sent, will not be counted;

- j. if multiple Ballots are received from the same Holder with respect to the same Claim or Interest prior to the Voting Deadline, the last properly executed Ballot timely received will be deemed to reflect that voter's intent and will supersede and revoke any prior received Ballot;
- k. Holders must vote all of their Claims within a particular Class either to accept or reject the Plan and may not split any votes. Accordingly, a Ballot that partially rejects and partially accepts the Plan will not be counted. Further, to the extent there are multiple Claims within the same Class, the applicable Debtor may, in its discretion, aggregate the Claims of any particular Holder within a Class for the purpose of counting votes;
- l. a person signing a Ballot in its capacity as a trustee, executor, administrator, guardian, attorney in fact, officer of a corporation, or otherwise acting in a fiduciary or representative capacity of a Holder of Claims must indicate such capacity when signing;
- m. the Debtors, subject to a contrary order of the Court, may waive any defects or irregularities as to any particular Irregular Ballot at any time, either before or after the close of voting, and any such waivers will be documented in the Voting Report;
- n. unless waived or as ordered by the Court, any defects or irregularities in connection with deliveries of Ballots must be cured prior to the Voting Deadline or such Ballots will not be counted; *provided* that the Debtors shall notify any Holder who submitted a Ballot not in proper form of any such defects and their intent to reject such Ballot if the alleged defects are not remedied prior to the Voting Deadline after receipt of notice of such alleged defect;
- o. in the event a designation of lack of good faith is requested by a party in interest under section 1126(e) of the Bankruptcy Code, the Court will determine whether any vote to accept and/or reject the Plan cast with respect to that Claim will be counted for purposes of determining whether the Plan has been accepted and/or rejected;
- p. subject to any order of the Court, the Debtors reserve the right to reject any and all Ballots not in proper form, the acceptance of which, in the opinion of the Debtors, would not be in accordance with the provisions of the Bankruptcy Code or the Bankruptcy Rules; *provided* that any such rejections will be documented in the Voting Report;
- q. if a Claim has been estimated or otherwise Allowed only for voting purposes by order of the Court, such Claim shall be temporarily Allowed in the amount so estimated or Allowed by the Court for voting purposes only, and not for purposes of allowance or distribution;
- r. if an objection to a Claim is filed, such Claim shall be treated in accordance with the procedures set forth herein;
- s. the following Ballots shall not be counted in determining the acceptance or rejection of the Plan: (i) any Ballot that is illegible or contains insufficient information to permit the identification of the Holder of such Claim; (ii) any Ballot cast by any Entity that does not hold a Claim in a Voting Class; (iii) any Ballot cast for an OpCo General Unsecured Claim, HoldCo General Unsecured Claim, or TopCo General Unsecured Claim scheduled as unliquidated, contingent, or disputed for which no Proof of Claim was timely filed by the Voting Record Date (unless the applicable bar date has not yet passed, in which case such Claim shall be entitled to vote in the amount of \$1.00); (iv) any unsigned Ballot or Ballot lacking an original signature (for the avoidance of doubt, a Ballot submitted via the Claims, Noticing, and Solicitation Agent's online balloting portal shall be deemed an original signature); (v) any Ballot not marked to accept or reject the Plan or marked both to accept and reject the Plan; (vi) any Ballot transmitted by facsimile, email, or other electronic means not specifically approved pursuant to the Disclosure Statement Order; (vii) any

Ballot sent to any of the Debtors, the Debtors' agents or representatives, or the Debtors' advisors (other than the Claims, Noticing, and Solicitation Agent); and (viii) any Ballot submitted by any Entity not entitled to vote pursuant to the procedures described herein;

- t. after the Voting Deadline, no Ballot may be withdrawn or modified without the prior written consent of the Debtors or further order of the Court;
- u. the Debtors are authorized to enter into stipulations with the Holder of any Claim agreeing to the amount of a Claim for voting purposes; and
- v. where any portion of a single Claim has been transferred to a transferee, all holders of any portion of such single Claim will be (a) treated as a single creditor for purposes of the numerosity requirements in section 1126(c) of the Bankruptcy Code (and for the other solicitation and voting procedures set forth herein) and (b) required to vote every portion of such Claim collectively to accept or reject the Plan. In the event that (a) a Ballot, (b) a group of Ballots within a Voting Class received from a single creditor, or (c) a group of Ballots received from the various Holders of multiple portions of a single Claim or partially reject and partially accept the Plan, such Ballots shall not be counted.

5. Amendments to the Plan and Solicitation and Voting Procedures.

The Debtors reserve the right to make non-substantive or immaterial changes to the Plan, Disclosure Statement, Disclosure Statement Hearing Notice, Confirmation Hearing Notice, Solicitation Packages, Non-Voting Status Notices, Ballots, Publication Notice, Cover Letter, the Committee Letter, these Solicitation and Voting Procedures, Plan Supplement Notice, Assumption and Assignment Notice, Rejection Notice, and any related documents without further order of the Court, including changes to correct typographical and grammatical errors, if any, and to make conforming changes to the any materials in the Solicitation Packages before distribution.

Subject: Summary of the Plan, Information Regarding Certain Key Dates, and Certain Other Matters

Dear Stakeholders,

You are receiving this letter because you are entitled to vote on the Debtors' Plan, an important step in the return of value to you and other stakeholders. This letter and the materials enclosed concern the proposed sale of substantially all the assets of Voyager Digital Holdings, Inc. and its affiliated Debtors to FTX US, following the Debtors' July 5, 2022 voluntary filing of these Chapter 11 Cases. Your vote to accept or reject the Plan must be received by November 29, 2022, at 4:00 p.m. prevailing Eastern Time. Instructions on how to vote are included in this Solicitation Package.

As described below and in the Plan and Disclosure Statement also enclosed, the Debtors believe that the sale to FTX US is in the best interest of all stakeholders and, ultimately, is the best possible transaction available. Holders of Account Holder Claims and Holders of each class of General Unsecured Claims will receive significantly more consideration for their Claims under the Plan than in a liquidation. As such, Voyager Digital Holdings, Inc. (on behalf of itself and each of the other Debtors) urge you to properly and timely submit your Ballot, in advance of the November 29, 2022 deadline, with a vote to accept the Plan. Further details and instructions regarding how to get additional information appear on the following pages.

I. The Sale Transaction

On September 26, 2022, the Debtors announced that, after multiple rounds of bidding in a highly competitive auction process that lasted two weeks, they selected West Realm Shires Inc. (“FTX US”) as the highest and best bid for their assets. FTX US’s bid is valued at approximately \$1.422 billion, comprised of (i) the fair market value of all Voyager cryptocurrency at a to-be-determined date in the future, which at current market prices as of September 26, 2022 is estimated to be \$1.311 billion, plus (ii) additional consideration that is estimated as providing approximately \$111 million of incremental value. The Debtors and FTX US executed an asset purchase agreement (the “Asset Purchase Agreement”) memorializing the terms of FTX US’s bid on September 27, 2022.

On September 28, 2022, the Debtors filed *Debtors’ Motion for Entry of An Order (I) Authorizing Entry Into the Asset Purchase Agreement and (II) Granting Related Relief* [Docket No. 472] (the “Asset Purchase Agreement Motion”). The Asset Purchase Agreement Motion sought approval from the Court to enter into the Asset Purchase Agreement and effectuate the sale transaction through a chapter 11 plan of reorganization. On October 20, 2022, the Court entered an order approving the Debtors’ entry into the Asset Purchase Agreement.

³ The recovery to Intercompany Claims reflects the assumption for purposes of the recovery analysis that the Intercompany Obligation by HoldCo to TopCo under the Promissory Note is a valid loan and all other Intercompany Obligations are capital contributions. The Intercompany Obligations and the analysis related thereto are described in greater detail in Article V.C.2 of the Disclosure Statement.

The Debtors believe that the sale to FTX US contemplated by the Asset Purchase Agreement and the Plan is a success for the Debtors and their creditors. The sale transaction maximizes value and minimizes the remaining duration of the Debtors' restructuring by providing a clear path forward for the Debtors to consummate a chapter 11 plan and return value to their customers and other creditors. FTX US's secure trading platform will enable customers to trade and store cryptocurrency after the conclusion of these Chapter 11 Cases.

II. Plan.

The Court's order approving the Asset Purchase Agreement only approves entry into the Asset Purchase Agreement. The transactions contemplated by the Asset Purchase Agreement (including distributions to Account Holders) will be effectuated pursuant to the Plan.

The Plan provides, among other things, that upon the Effective Date:

- All Administrative Claims, Priority Tax Claims, Secured Tax Claims, and Other Priority Claims shall be paid in full in Cash, or receive such other customary treatment that renders such Claims Unimpaired under the Bankruptcy Code;
- Each Holder of an Allowed Account Holder Claim shall receive in exchange for such Allowed Account Holder Claim (i) its Pro Rata share of Transferred Cryptocurrency Value, in Cryptocurrency or Cash as provided in the Customer Migration Protocol; (ii) the right to become a Transferred Creditor as provided in the Customer Migration Protocol; (iii) its Pro Rata share of Distributable OpCo Cash; and (iv) to effectuate distributions from the Wind-Down Entity, its Pro Rata share of the Wind-Down Trust Units (if applicable) on account of any recovery of Wind-Down Trust Assets attributable to OpCo; *provided* that any distributions on account of Wind-Down Trust Units shall only be made following payment in full of Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Secured Tax Claims, and Allowed Other Priority Claims;

- Each Holder of an Allowed TopCo General Unsecured Claim will receive in exchange for such Allowed TopCo General Unsecured Claim (i) its Pro Rata share of Distributable TopCo Cash and (ii) to effectuate distributions from the Wind-Down Entity, its Pro Rata share of the Wind-Down Trust Units (if applicable) on account of any recovery of Wind-Down Trust Assets attributable to TopCo; *provided* that any distributions on account of Wind-Down Trust Units shall only be made following payment in full of Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Secured Tax Claims, and Allowed Other Priority Claims;

- Pursuant to the Asset Purchase Agreement, on the Effective Date, the Alameda Loan Facility Claims shall be deemed Allowed, and all rights, titles, and interests in the Alameda Loan Facility Claims shall be conveyed to OpCo, and OpCo shall be entitled to any recovery on account of the Alameda Loan Facility Claims. The treatment of Class 4 Alameda Loan Facility Claims is contractually settled pursuant to the Asset Purchase Agreement; and
- Each Holder of Existing Equity Interests or Section 510(b) Claims against TopCo, if any, will receive, to effectuate distributions, if applicable, from the Wind-Down Entity, its Pro Rata share of the Wind-Down Trust Units (if applicable) on account of any recovery of Wind-Down Trust Assets attributable to TopCo, *provided* that any distributions on account of Wind-Down Trust Units shall only be made following payment in full of all Allowed Administrative Claims, Allowed Priority Tax Claims, Allowed Secured Tax Claims, Allowed Other Priority Claims, and Allowed TopCo General Unsecured Claims.

The Confirmation Hearing will be held on **December 8, 2022, at 11:00 a.m.** prevailing Eastern Time. If the Court confirms the Plan at the Confirmation Hearing, the Debtors will seek to effectuate the Plan, consummate the sale of substantially all of the Debtors’ assets, and distribute value to Holders of Account Holder Claims, Holders of each class of General Unsecured Claims, and other creditors.

III. Recommendation

Voyager Digital Holdings, Inc. (on behalf of itself and each of the other Debtors) has approved the filing of the Plan and the solicitation of votes to accept or reject the Plan. The Debtors believe that the acceptance of the Plan is in the best interests of their estates, Holders of Claims or Interests, and all other parties in interest. The Debtors believe that any valid alternative to confirmation of the Plan would result in significant delays, litigation, additional costs, and, ultimately, might result in smaller distributions (or no distributions) on account of Claims asserted in these chapter 11 cases.

**THE DEBTORS STRONGLY URGE YOU TO PROPERLY AND TIMELY
SUBMIT YOUR BALLOT CASTING A VOTE TO ACCEPT THE PLAN IN
ACCORDANCE WITH THE INSTRUCTIONS IN YOUR BALLOT.**

Case No. 22-20943 (MEW)
in the United States Bankruptcy Court
for the Southern District of New York

c/o McDermott Will & Emery LLP

New York, NY 10017-3852

To: Customers and Creditors of Voyager Digital Holdings, Inc., *et al.*,

I. Introduction

The Official Committee of Unsecured Creditors (the “UCC”) was appointed by the United States Trustee to represent the interests of all unsecured creditors in the chapter 11 bankruptcy cases (the “Bankruptcy Cases”) of Voyager Digital Holdings, Inc., *et al.* (collectively, “Voyager”). We write to advise you of the UCC’s position regarding Voyager’s revised chapter 11 plan filed on October 24, 2022 (the “Plan”).¹ The deadline to vote on whether to accept or reject the Plan is November 29, 2022 (the “Voting Deadline”). On December 8, 2022, the Bankruptcy Court will hold a hearing to consider confirmation of the Plan (the “Confirmation Hearing”). For the reasons set forth below, the UCC recommends that you ***vote to accept the Plan*** and ***opt-in*** to contributing your direct claims to the Wind-Down Entity.

The UCC’s primary focus is getting the maximum amount of fiat and crypto returned to creditors as quickly as possible. Maximizing value is not only limited to recovering the greatest amount possible, but also to preserving the amounts that are currently available. Every decision in these Bankruptcy Cases involves your assets because each decision risks the depletion of funds that would otherwise be distributed to you.

II. How Did the Settlement Come About?

The UCC has been faced with many difficult decisions throughout the course of these Bankruptcy Cases. Each decision has been made after thorough analysis, research, and discourse to ensure that both sides of each decision have been properly vetted. The UCC’s decision with respect to the releases set forth in the Plan was one of the most difficult. The releases contained in the Plan, as described in more detail below, release (in part) Voyager’s claims against its directors and officers. Importantly, the releases in the Plan do NOT release, diminish, or in any way affect any claims you, government regulators, or any other third parties may have against Voyager’s directors and officers. As you all know, the UCC is comprised of individuals who like you lost substantial amounts of cryptocurrency because of Voyager and those operating Voyager. As you all read in the objection that we filed to Voyager’s disclosure statement, the UCC intended to vigorously object to the release of these individuals (collectively, the “Released Parties”) from

¹ All documents filed in Voyager’s bankruptcy cases are available free of charge at <https://cases.stretto.com/voyager/court-docket/>. The Plan is available at Docket No. 590.

liability for their actions. It was the UCC's position then, and now, that if the individuals want to be released, then they need to pay for it.

By the same token, the UCC is not going to engage in contentious, expensive, and time-consuming legal battles that drain estate resources and delay your recoveries. The time for gambling with your money is over. Accordingly, the UCC conducted an investigation to determine the most efficient and effective resolution of potential claims against Voyager insiders, including Stephen Ehrlich, Voyager's Chief Executive Officer (CEO), and others.

A special committee of independent directors of Voyager (the "Special Committee") was appointed to investigate claims that Voyager may have against Ehrlich and other insiders. The Special Committee, in turn, hired the law firm of Quinn Emmanuel to conduct an investigation into any such claims. The UCC conducted its own investigation of the claims on behalf of creditors. The UCC investigation revealed that Ehrlich and Voyager's Chief Commercial Officer (CCO) were extremely careless in their investigation of Three Arrows Capital's (3AC) creditworthiness and thus, in their decision to loan almost \$1 billion of Voyager assets to 3AC. As a result, the UCC has concluded that the Debtors have valid and substantial claims against Ehrlich and the CCO for breach of their duties of care relating to their role in approving Voyager's ill-fated loans to 3AC.²

To ensure that pursuing litigation against Ehrlich is a worthwhile use of resources, however, the Special Committee and the UCC investigated Ehrlich's and the CCO's personal finances to determine the extent of their assets that would be available to pay a judgment if the Wind-Down Entity (as defined in the Plan), which will be governed by a trustee selected by the UCC, successfully prosecuted Voyager's claims against them. In connection with that investigation, both individuals provided written financial disclosures attesting to their assets under penalty of perjury. According to those financial statements, neither Ehrlich nor the CCO currently have substantial assets that would justify the uncertainty and expense of protracted litigation over confirmation of the Plan. Ehrlich's assets are approximately \$2.7 million (inclusive of his home), which is likely *less* than the combined legal costs Voyager's estates would incur if the UCC objects to the settlement and releases and Voyager and the Special Committee defend them. In other words, the depletion of assets that would otherwise be available to distribute to creditors is greater than the amount creditors stand to collect if the Wind-Down Entity brought claims against Ehrlich, and they succeed.

In light of the limited collectability, the Special Committee and its counsel negotiated a settlement with Ehrlich and the CCO. In connection with those discussions, the UCC insisted that even if Ehrlich's assets were as limited as he represented in his sworn disclosures, he should not be given a release without making a settlement payment for the benefit of creditors that represents a significant portion of his assets. The proposed settlement reflected in the Plan, though insignificant from the standpoint of the damages caused, does require Ehrlich to pay \$1.125 million, which amount represents more than 40% of his assets. Importantly, despite the settlement, the Wind-Down Entity will retain the right to prosecute claims against Ehrlich and the CCO for their role in the 3AC loan, but the recovery is limited to amounts available under applicable D&O insurance policies. Thus, although Voyager is foregoing further claims against Ehrlich's and the

² Background regarding the relationship between Voyager and 3AC and Voyager's loan to 3AC can be found beginning on page 36 of Voyager's First Amended Disclosure Statement available at Docket No. 591.

CCO's personal assets, Voyager's rights to sue them have been preserved, albeit capped at the insurance policies.

Moreover, the settlement requires Ehrlich and the CCO to forgo and subordinate any rights they have to the proceeds of the second of Voyager's two \$10 million policies (the "Second 10m Policy"). Unlike the earlier \$10 million policy, the Second 10m Policy was taken out shortly before the Bankruptcy Cases were filed at a time in which Voyager was insolvent. The UCC believes that the Wind-Down Entity can bring an avoidance action to recover for the benefit of creditors the \$10 million Voyager paid to the insurer under that policy. The settlement makes that recovery far more likely.

Further, the settlement requires Ehrlich to subordinate prepetition claims he has against Voyager such that all of your claims must get paid first *in full* before he can recover one dime on any of his prepetition claims. The claims subject to such subordination include his claims for the return of assets that he personally had on the Voyager platform that, like yours, were frozen shortly before the Bankruptcy Cases. The CCO will subordinate half of such claims. Further, both Ehrlich and the CCO agree to certain subordination provisions for indemnification of their legal fees they may otherwise have against Voyager. The UCC insisted on these rights to ensure that Ehrlich receives nothing unless and until you receive everything you lost.

Be assured, Ehrlich's apparent lack of wealth was surprising to the UCC as much as it must be surprising to many of you. There have been numerous reports by the media stating that Ehrlich personally made around \$37 million (Canadian) from sales of Voyager's stock last year. During the course of our ongoing investigation, however, we were advised that very little of those proceeds went to Ehrlich personally. Ehrlich was only one of several owners of the consulting company that received the proceeds. That said, although we appreciate the Special Committee and its counsel have satisfied themselves that Ehrlich's financial statements are accurate, the UCC has indicated that between now and the Confirmation Hearing, it intends to vigorously continue its investigation into the accuracy of the financial disclosures by, among other things, interviewing Ehrlich and the CCO, as well as obtaining confirmatory documentation. The UCC will also investigate transfers that Ehrlich made to anyone. If the UCC determines Ehrlich's or the CCO's financial disclosures are not accurate or are misleading – for example, that Ehrlich is hiding assets that could be reached by a judgment against him – the UCC will advise you of this and will promptly pull its support for the releases and settlement contained in the Plan.

As an additional measure of protection for creditors, the UCC negotiated for the Plan to provide an "out" in case the financial disclosures we received prove untrue. Indeed, the Plan states that if a court determines at any point in the future that the financial disclosures we relied upon in agreeing to the settlement are materially inaccurate, the releases of Ehrlich and the CCO shall become void and ineffective – meaning one or both can be sued personally by the Wind-Down Entity on the precise claims that were otherwise released. It is the combination of this protection and the additional investigation we will undertake that gives the UCC confidence in the settlement reached.

If the UCC's investigation confirms the accuracy of the financial disclosure statements, the UCC has decided not to object to the settlement or the releases because, as set forth in greater

detail below, the benefits of the settlement outweigh the costs. For that reason, as well as the reasons set forth below, the UCC encourages you to ***vote to accept the Plan***.

III. What are the Terms of the Settlement?

Before addressing why we believe the settlement is in your best interests (putting aside strong personal feelings towards those being released), we wanted to provide a brief bullet point summary of the material terms of the settlement. In exchange for Voyager releasing certain claims that can be brought against the Released Parties:

- Ehrlich shall pay \$1.125 million, and contribute any tax refund he may be entitled to receive on account of the \$1.125 million for the benefit of creditors;
- 3AC claims against Ehrlich and the CCO may still be prosecuted, but they shall be paid solely from the applicable D&O insurance policies;
- Any indemnification claims asserted by Ehrlich and the CCO are subject to certain subordination restrictions to creditor claims;
- Any prepetition claim by Ehrlich against Voyager shall be subordinated in full to creditor claims;
- Any prepetition claim by the CCO for assets he personally has on the Voyager platform will be subordinated in part (half) to creditor claims;
- Ehrlich and the CCO shall not make any claims against the Second 10m Policy, thereby allowing the Wind-Down Entity to attempt to clawback the recently paid \$10 million premium from the insurance company; and
- If the financial disclosure statements that were provided by Ehrlich or the CCO are ever adjudicated to have been materially inaccurate, the releases given to them become void and their personal assets thus become subject to any judgment against them.

IV. Why Should I Approve of the Settlement?

As an initial matter, the UCC is not happy that Ehrlich is only paying \$1.125 million. However, assuming the financial statements are accurate, that \$1.125 million represents approximately 60% of Ehrlich's net worth if you do not include his house and 40% of his net worth if you do. If the UCC objects to the settlement and succeeds, it is unclear whether a \$1.125 million recovery is possible later, after protracted litigation. There is also a possibility that Ehrlich files for bankruptcy before that date, which would likely result in no recovery for creditors. The UCC is not going to gamble with your assets in an attempt to draw blood from a stone. Doing so would be throwing good money after bad money.

With that said, the individual payment is the least important aspect of the settlement. The critical benefit for creditors is the preservation of (i) assets to be recovered (i.e., insurance policies) and (ii) current assets (i.e., avoiding costly litigation).

First, as part of the settlement, the Wind-Down Entity (and therefore, creditors) may benefit from the Second 10m Policy without risk that Ehrlich or the CCO will deplete such policy by filing claims to cover their personal litigation defense costs before the Wind-Down Entity has the opportunity to avoid and recover the \$10 million premium paid for the policy. The value preserved through this component of the settlement is up to \$10 million. Importantly, if the

settlement fails, that \$10 million will be depleted by Ehrlich and others as they defend against the same claims that are being released.

Second, reaching a resolution preserves a substantial amount of resources by avoiding protracted litigation over Plan confirmation. Absent a settlement, the UCC intended to object to the releases set forth in the Plan, take depositions, and present witnesses and experts at trial. The Confirmation Hearing would be heavily contested resulting in significant legal fees being incurred and likely a significant extension of time before cryptocurrency and fiat are returned to creditors. Moreover, if the UCC's objections were successful, then the Plan would not be able to be confirmed with the inclusion of the releases. Although the Court could approve the Plan if the releases are removed, Voyager would not have been required to move forward with that result. Instead, Voyager could have simply withdrawn the Plan, which would put the FTX transaction and an expeditious exit from chapter 11 at risk and certainly would have delayed the return of the creditors' monies. The settlement avoids these costly delays and risks that would only serve to reduce and further delay creditor recoveries.

The UCC is tasked with objectively making decisions to increase creditor recoveries, no matter how difficult those decisions are to stomach. The settlement between Voyager, the Special Committee, Ehrlich, and the CCO preserves millions in assets for creditors. If the settlement fails, there is significant risk that creditors will not receive any benefit from these individuals or Voyager's insurance policies, while at the same time incurring substantial litigation costs. It is this cost-benefit analysis guiding the UCC's decision to agree to the settlement.

However, as stated above, the UCC will investigate the accuracy of the sworn financial statements because of the disclosures contained therein are false, the releases ***will be void***.

V. Contributed Third Party Claims

As an additional benefit of the settlement, Voyager has agreed to include a mechanism for creditors to contribute direct claims to the Wind-Down Entity that they may have against third parties that are affiliated with Voyager and that harmed creditors. Specifically, the ballots that creditors receive to vote on the Plan will include an option to "opt in" to contributing their direct claims to the Wind-Down Entity.

As you know, the UCC conducted an investigation into the Released Parties. The investigation, however, did not include an investigation into claims Voyager and creditors may have against other third parties. Upon the effective date of the Plan, the Wind-Down Entity will conduct an investigation into these third parties. Although the Wind-Down Entity will have standing to pursue causes of action held by Voyager, causes of action held individually by creditors will not be included. If creditors contribute their direct claims against third parties to the Wind-Down Entity, the Trust will have the ability to bolster its causes of action against third parties and create a better chance at a larger recovery for creditors. Accordingly, the UCC strongly encourages creditors to "opt in" to contributing their direct claims so that the Wind-Down Entity can prosecute those claims on your behalf.

VI. Why Should I Accept the Plan?

The Plan must be confirmed to ensure that creditors receive distributions in the greatest amount and as quickly as possible. The Plan accomplishes this goal. The UCC fully supports the FTX transaction, which was selected after an extensive marketing and auction process, because the UCC believes that its consummation will maximize recoveries to creditors in the most timely, efficient, and effective manner.

If the Plan is not confirmed, there is risk of delay and a significant reduction to creditor recoveries. That is not a result that the UCC supports.

For the foregoing reasons, the UCC, urges you to ***vote to accept*** the Plan and ***opt-in*** to contributing your direct claims to the Wind-Down Entity.

Sincerely,

***The Official Committee of
Unsecured Creditors***
